**Payment for the artwork is made through Interac e-transfer, and I request a minimum non-refundable deposit of 50% of the total cost before starting to work on your custom order.** I am open to payments in multiple transfers for the second half, depending on the agreement.

**Payment is made through interact transfer (or through [wise.com](http://wise.com)) using the email: [marianne.oceanne@gmail.com](mailto:marianne.oceanne@gmail.com).**

With the shipment of the artwork, I commit to providing you with a certificate of authenticity, which I will send to you via email. The certificate of authenticity guarantees the value of the artwork, as well as the accuracy of a genuine piece created by the artist and not a reproduction. This proof should be kept for life as it demonstrates your ownership of the authentic artwork. The document also contains your information, attesting to your legitimate ownership, as well as the name of the artwork, its value, and the year of production.

**Please note that shipping or framing fees are not included in the abovementioned prices.** All orders are sent by mail and may take anywhere from a few days to a few weeks to arrive, depending on your location. I will send you a tracking number as soon as your order is shipped.

**Modifications to a custom artwork are not possible.** If you are not satisfied with it once it's completed, I can offer a refund, while retaining 50% of the artwork's cost to cover inconveniences. The creation of custom artwork takes between 10 to 90 days, depending on the size and complexity. It's possible that it may take up to 100 days, as creating a beautiful artwork requires time and patience!

Upon receiving the artwork at your home, you are responsible for its well-being and must commit to taking care of it. Recommendations: Have the artwork framed with protective glass. Avoid direct exposure to sunlight, as colors may change over the years. Keep the artwork in a place that is not humid. I disclaim any responsibility after the proper delivery of the artwork, in the case of damage due to breakage, fire, theft, or vandalism. I retain copyright rights over the artwork, prohibiting plagiarism and the sale or reproduction of the artwork without my consent.
